AUDITORS REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1981.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustee of Trust Funds (including and examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1981 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector and Trustee of Trust Funds are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would like to thank the town officials for their co-operation and assistance during the period of the audit.

Respectfully submitted,
Oliver F. Derby

ANNUAL REPORT
ROXBURY PLANNING BOARD
1981

During the calendar year 1981, the Town of Roxbury Planning Board met on seven occasions, including its regular meetings, three Public Hearings and one special meeting.

The policy statement of the Master Plan was passed during the March 18th Public Hearing. This was the first definitive step towards completion of the Master Plan.

A two lot subdivision on the Middletown road was granted to Herbert Russell with a stipulation that no new buildings be erected within 100 feet of an existing building. A lot previously subdivided in 1979 by Doug Osgood was review by the Planning Board for its suitability to become a building lot. The board recommended to the selectmen that a building permit be issued only after suitable arrangements were made to prevent runoff on to the Middletown Road and that the lot was suitable for a septic system.

Changes were made in the subdivision regulations so that the Roxbury subdivision regulations would conform to the recent changes in the State RSA's. These changes, for the most part, involve only superficial wording changes in the original subdivision regulations.

The board received their soil survey maps from the Cheshire County Conservation District and a thorough presentation was given to the board by Tom Chrisenton and Jerry Rosenberg. These maps are vital to the Master Planning process and are on display at the Town Meeting.

Regular meeting of the Roxbury Planning Board will be held on the third Wednesday of every other month; **March 17, May 19, July 21, Sept. 15, Nov. 17, and Jan. 19, 1983.**

Respectfully submitted,
Dr. Thomas Benson [*Chairman*]
Barbara Neylan [*Secretary*]

POLICE DEPARTMENTS ACTIVITIES
For 1981

The following is a list of complaints received by this department.

for the Year of 1981:

Complaints	**Number**
Auto	8
Assist Other Depts.	2
Accidents (Motor Vehicle)	11
Domestic	2
Thefts	2
Emergency Situations	2
Sexual Assault	1
Burglary	2
Criminal Mischief	1
Recovered Property	1
Juvenile	1
Disturbances	5
Animals	2
Alarms	1
Misc.	4
Total Complaints	**46**

During this past year, there have been many more calls to this department. This is a good sign towards a common goal of reducing crime.

Due to a breakdown of equipment, during the past year I have not always been available for service. This should be rectified this year with a paging system I hope to set up through Mutual Aid. Along with the pagers, I hope to have the towns 2 way radio back in service soon. During the past year, this radio has been in for repairs for a period of about 7 months. Since the radio has been out of service, I could not always be reached. In an attempt to get more calls, I repaired my personal 2 way radio in my car, thereby increasing the amount of time I could be reached for calls.

Even with the 2 way radio out of service, I received 46 complaints for 1981. That is an increase of 15 calls. I know that there were more calls that were handled by the N.H. State Police when I was unavailable or could not be reached.

During this past year, I have become a certified Breath Examiner Specialist through the State for running the Breathalzer. This enables me to make the arrest for DWI and also administer the test. I am also currently taking a course for Emergency Medical Technician and also a course to become a certified Scuba Diver. All these things help to build a stronger department.

I had hoped to put another police officer on the department this year. However, in order to do this, I would not be able to give the additional officer the equipment and training needed to insure safety. Hopefully, I can do that this year.

The police department is growing and is becoming more and more relied upon for service by the townspeople. I am hoping that this will continue. I will continue to expand the department in any way I can to serve the town better.

Respectfully submitted,
Earl Douglas Nelson
Chief of Police
Roxbury, N.H. Police Dept.

REPORT OF THE SCHOOL BOARD REPRESENTATIVE

1981 - 82

The annual meeting of the Monadnock Regional School District was held on March 7, 1981. Voters approved a budget of $5,238,316. Total District assessment was $4,329,795, - an increase of 17.8% over the previous year.

The 1982 annual meeting is scheduled for March 6, 1982. The proposed budget represents an increase in district assessment of 5%. Excluding the proposal to establish a public kindergarten the district assessment amounts to less than 3%, reflecting the School Board's major objective of keeping cost increases to a minimum.

The current Roxbury enrollment is 21 students in grades 1 - 6 and 14 students in grades 7 - 12. An interesting historical fact is that 120 years ago in 1862, Roxbury's school population was 38 students attending three different schoolhouses.

Respectfully submitted,
William A. Hamill
